If you want to eliminate the hassle and expense of a full time bookkeeper and have your financial records maintained by a professional experienced firm, then our services will be the right fit for your business.

We will streamline your financial operations and data — the key essentials for making your business successful — allowing you to focus on the day-to-day operation of your business. Our systems enable you to view your financial records online 24/7, via QuickBooks.

We will tailor a package to your business needs, and guarantee that your financial information will always be secure.

DIVERSE EXPERIENCE

NPF Accounting & Finance, LLC offers a broad range of accounting and business consulting services for small business owners, and independent professionals in the Boston area.

We cover all facets of accounting, and our customer base encompasses a diverse selection of small businesses in the service, real estate, hospitality and industrial sectors.

Our Principal, Niall Flood, brings over 20 years of experience working in accounting and finance for a wide range of companies in Massachusetts and Ireland.

THE RIGHT DECISION

Choosing a company to assist with managing your accounting and bookkeeping is a challenge. In today's competitive environment, you need the best information available to monitor your business performance and assist with making daily decisions.

VALUABLE KNOWLEDGE

We strive to provide our clients with quality, timely, and accurate information and advice, at a fraction of what it would cost to hire a full time accountant or bookkeeper. We understand the daily challenges for small business owners; maintaining margins, keeping overhead low, understanding and controlling costs, and maintaining positive cash flow and availability.

Let us work for you!
